21 As there will be multiple parties on the line, every party calling into the meeting should

25 recording of the meeting.

27 Security number by visual means with their counsel. Arrangements should be made with debtor's  
28 counsel prior to the start of the creditors' meeting. Debtor's counsel will be responsible for

1 confirming the validity of that identification by affirming on the record at the meeting that they  
2 have verified the Debtor's identification.

3 Debtors without counsel should be prepared to provide a scan, copy or photo of their  
4 photo identification and proof of Social Security number to their case trustee in advance of the  
5 meeting by email. Please email said proof of identification to [mlacroix@chapter13tacoma.org](mailto:mlacroix@chapter13tacoma.org) as

7 until proof of identification has been provided.

8 The debtors and counsel must also have available a copy of the petition, schedules,  
9 statement of financial affairs, means test, plan, Rule 4002 documents or any other case  
10 documents that the debtor may reasonably be questioned about during the 341 Meeting. The case  
11 trustee may also contact the debtor or counsel in advance of the meeting to identify specific  
12 documents to have available.

13 If the debtors or counsel will be unable to appear for the 341 Meeting by phone as set out  
14 in this notice, or if the debtor requires an interpreter, please promptly contact the trustee in  
15 advance of the meeting, in writing, to request a continuance of the 341 Meeting.
